WHEREAS--

The City Council of the City of Cherryville, North Carolina, has stated its proposal to issue general obligation bonds to pay capital costs of providing sewer system improvements. The City has applied to the North Carolina Local Government Commission for its approval of these bonds, and the Commission has accepted the City's application.

BE IT ORDERED by the City Council of the City of Cherryville, North Carolina, as follows:

1. There are hereby ordered to be issued general obligation bonds to pay capital costs of providing sanitary sewer systems, including without limitation community sewerage facilities for the collection, treatment, and disposal of sewage or septic tank systems and other on-site collection and disposal facilities or systems, together with related financing and other necessary or incidental costs.
2. The maximum aggregate principal amount of the bonds issued for such purpose will be \$1,800,000.
3. Taxes will be levied in an amount sufficient to pay the principal of and interest on the bonds so issued, to the extent other funds (such as utility charges) are not otherwise available and appropriated for this purpose.
4. A sworn statement of debt prepared by the City's Finance Officer has been filed with the City Clerk and is open to public inspection.
5. This Bond Order will take effect when approved by the City's voters in the manner provided by law.

The foregoing order has been introduced and a sworn statement of debt has been filed under the Local Government Bond Act showing the appraised value of property in City of Cherryville, North Carolina, to be at least \$405,369,508 and the net debt of the City, including the proposed bonds, to be not more than \$10,214,417.10. A tax will be levied to pay the principal of and interest on the bonds if they are issued, to the extent other funds (such as utility revenues) are not otherwise available and appropriated for such purpose.

Anyone who wishes to be heard on the questions of the validity of the bond order and the advisability of issuing the bonds may appear at a public hearing or an adjournment thereof to be held at 6:00 p.m. (or as soon thereafter as the matter may be heard) on July 13, 2020, in the Cherryville Community Building, 106 S.
